

האגודה הישראלית לחקר אווירוסולים

Call for Papers

The 23rd Annual Meeting of the IAAR will be held on Wednesday, February 10, 2010, at the Hebrew University of Jerusalem.

The purpose of the meeting is to promote aerosol science and technology in Israel via exchange of scientific and technological information. Abstracts, up to 200 words in English, should be submitted **no later than January 20, 2010** to Dr. Amnon Stupp, amnons@post.tau.ac.il, or Prof. Alexander Khain, khain@vms.huji.ac.il.

Topics that are covered in this meeting include

- | | |
|--|--------------------------------|
| Indoor/outdoor aerosols | PM emission and sampling |
| Health effects of aerosols | Combustion aerosols |
| Atmospheric aerosols | Bio- and agro-aerosols |
| Climatic effects of aerosols | Aerosol filtration |
| Light scattering by aerosols | Aerosol modeling |
| Cloud microphysics | Aerosols chemistry and physics |
| Particle characterization and measurement | |
| Aerosols in pharmacology and medicine | |
| Aerosols in the nano- and microelectronic industry | |

We plan 15-20 minute presentations.

There will be a very modest registration fee (50 ILS for general audience, 30 ILS for students) to cover the refreshments, which will be collected on the meeting day.

In order for us to better prepare for the meeting, pre-registration will be appreciated. Pre-registration can be done by emailing one of the organizers. Presentations should be sent in advance or brought on a disk-on-key.
