

# The American Physiological Society Research Recognition Award

*Presented to:*

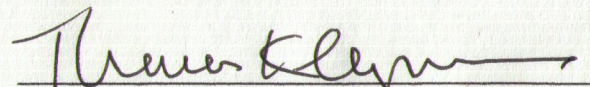

**Yehoshua Eneka**  
Ariel University Center, Israel

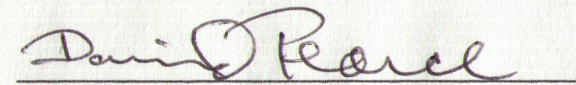

*2011 APS Conference*

**7<sup>th</sup> International Symposium on Aldosterone and the ENaC/Degenerin Family  
of Ion Channels: Molecular Mechanisms and Pathophysiology  
September 18–22, 2011, Asilomar Conference Grounds, California**

*For the abstract presentation entitled:*

**“Polyclonal Antibodies against Epithelial Sodium Channel (ENaC) Subunits Reveal Distinct  
Patterns of ENaC Expression and Subcellular Localization in Human Tissues”**

  
Thomas R. Kleyman, M.D.  
Conference Organizer

  
David Pearce, M.D.  
Conference Organizer
