

You are kindly invited, to participate in our new:

Wandering IVS Hot Topics seminar.

Alternative Energy Sources

We will use the seminar platform to give our thanks to Prof. Yossi Rosenwaks who just finished a three years term as the IVS chair, the IVS retiring board member Dr. Sidney Cohen and the administrative manager Yehudit Rousso, who have led the IVS in the last years.

The first seminar will be held on **Thursday April 27** in **Bar Ilan University**.

Location: The Wohl Center of Bar-Ilan University (see map)

Schedule

15:00-16:00 David Cahen (Weizmann Institute)- *Energy resources - a critical view from the Ivory tower on crises, alternatives and (mis)conceptions*

16:00-16:30 Yossi Rosenwaks (Tel Aviv University) – farewell
A needle for searching a needle in hay

16:30-17:00 Break

17:00-18:00 Doron Aurbach (Bar Ilan University)
Storing all that energy
